### **STATE ISSUES**

Senator R. Havern, J. Marzilli, A. Paulsen reviewed the issues impacting state and local funding for the next fiscal year.

The Legislators discussed and pointed out three driving factors that will affect funds at the local level:

- .. The Supreme Court Decision
- .. The reduction of the income tax and its ramifications at the local level in terms of local aid
- .. Equalization of the Chapter 70 Formula

The School Committee and Legislators agreed that the State must be aware of the unique situation Arlington finds itself in terms of the lack of room for growth to increase revenues.

### **SUPERINTENDENT'S REPORT**

#### **Financial Report (Policy DI)**

Supt. Donovan reviewed the Comparative Analysis FY05 Adopted Budget vs. Preliminary FY05 Budget.

The Superintendent does not recommend touching the available \$173,873.00 at this point due to unexpected expenses. i.e. 2 new group homes. Kay has requested additional funds from the DOE (Out of the Pothold Fund) to help offset some of the costs.

Mrs. Donovan would like to appoint a few teachers at the high school due to the increased class size. The Superintendent will keep the School Committee informed as how the money is being spent and will provide a projection of funds.

#### **Minority Hiring Report (Policy GBAA)**

Mrs. Donovan reported that as of October 1<sup>st</sup> there are 76 new hires. There were more resumes received this year from minority candidates, as well as more minority candidates interviewed (13) and hired (3).

The Committee would like to see data over the past couple of years on Minority Hiring.

#### **MCAS Results**

Dr. Gurry reported on the MCAS results for APS, and explained:

- .. The new tests in 2004-2005 and the new MCAS reading and math tests.
- .. The Annual Yearly Progress (AYP) and its ramifications for reaching proficiency by 2014.
- .. Dr. Gurry gave a power point presentation reviewing Arlington's scores noting that APS are way above State average in all tests.
- .. She stated that the next challenge is to move students to advanced categories, (i.e. from Need Improvement to Proficient and from Proficient to Advanced levels).
